Subscriptions

The subscription year commences on 1st May. When joining through the year, the fees due will be charged on a pro rata basis.

Joining Fee

As from 1st May 2021 a joining fee of £300 will be charged. £50 of this fee will be credited to your clubhouse card account if membership is renewed for a second year. Further credits of £50 will be made if membership is renewed in years 3 & 4. For clarity, the first top up of £50 to the Clubhouse Card will be in year 2 of membership. In essence this will mean a net £150 outlay for the joining fee if you remain a member for 4 years.

Monthly Payment

The monthly payment plan enables a member to spread the payment over the subscription year via a direct debit facility. Members who choose to pay by this method shall commit to being a member for the duration of the membership year, 1st May to 30th April, and shall settle all instalments in full for the duration of the agreement. The quoted figures include the subscription plus a small surcharge. Monthly payments are made from May to April inclusive (12 months).
