I am the designated Welfare Officer nominated by Belton Park Golf Club and in partnership with England Golf.

I have been a member of the club for just over a year and absolutely love the course.

My current job is a Paramedic with East Midlands Ambulance service and have worked in the Ambulance service for nearly 29 years.

I have a good understanding of dealing with a variety of Child care concerns and Adults at risk and will be able to signpost anyone within the club to an appropriate person if required.

Happy to chat any time.
