

## **BELTON PARK GOLF CLUB. Est 1890**

### **Golf Society Terms and Conditions**

Belton Park Golf Club (BPGC) is the oldest private members club in Lincolnshire and continues to maintain traditional values. We wish all our customers a truly enjoyable day at our club. Please help by keeping us informed of any changes you may require by - either adding or removing from your days event, such as - number of players, food choices, buggy hire etc. This is important to us, so thanks for your understanding.

- a) Reservations will be confirmed when the full 20% deposit has been received. Deposits are non-refundable due to a golf society cancellation. If BPGC has reason to cancel due outside influences e.g., weather, pandemic, BPGC will offer an alternative date to the golf society.
- b) The final number of players for your golf day must be confirmed no later than 7 days prior to the date of play. This allows our caterers to order the correct quantities of food choices, please confirm by email to – [greatgolf@beltonpark.co.uk](mailto:greatgolf@beltonpark.co.uk) Please note that if the number of players is less than the number agreed at the time of booking, BPGC reserves the right to charge the full price agreed.
- c) This agreement is based on a minimum of 12 players to qualify for BPGC golf society package rates. You will be required to pay the full outstanding balance owed for the numbers booked but not fewer than 12. Payment to be made on the day of play.
- d) BPGC society quotations are prepared and based upon golf and catering being provided together as a package.
- e) Standard insurance cover whilst playing on the course is included, should you feel it necessary to have additional insurance cover, you should make your own arrangements.
- f) For players that bring their own golf buggies, the player must show their own insurance certificate to the Professional in the shop before using it on the golf course. Failure to provide an insurance certificate will mean the buggy cannot be used. Any damage to BPGC provided buggies will be charged for. Please keep all buggies away from any ponds, lakes, or ditches on the course.
- g) BPGC golf vouchers cannot be used in payment for golf society packages.
- h) Please make sure your society players are ready to tee off on the correct tee box at the correct tee time otherwise when the course is very busy the players may lose their tee time.
- i) Please note that our course has free roaming deer and other wildlife. Please respect these as they are all part of the overall experience of playing at BPGC.
