GOLF SOCIETY DAYS

A 27 hole championship golf course, with three starting tees adjacent to the clubhouse – provides plenty of scope for your day out. Our expertise in organising golf days is second to none.

The Golfing magazine “Pitchmark” recently reviewed the golf course & facilities. Their verdict was:

“This is an absolutely cracking golf venue. It’s definitely one of the best settings in the area and watching the deer roam lazily around the fairways in the grounds of Belton House is a wonderful experience. The course offers a real variety of challenges with holes 1 to 18 a particular joy to play. The three loops of nine works really well with the well-guarded greens and steep faced bunkers make it a real test.

It also has a very friendly feel to it and it is understandable why so many visitors come back time and again. All the off course facilities are superb and it fully deserves its reputation as one of Lincolnshire’s premier clubs”.
